

# **TUTORIAL EXPECTATIONS**

## **1. Come prepared**

- Have pencil, notes, tutorial TRF form

## **2. Stay on topic**

- Do not talk about things unrelated to tutorial

## **3. Stay in your groups**

- Do not wander around the room and disrupt

## **4. Help each other**

- Ask questions. Don't just tell them the answer
- Pay attention during tutorials
- Take notes on each others questions
- Write a reflection of what you learned after everyone has finished their question
- Do not work on homework unless tutorials are finished

## **5. RESPECT everyone in group**

- No put downs
- Do not bother other students during tutorials

## **6. Clean up when tutorials are finished**

- Put the desks back
- Put all pens, erasers, etc. back where they go
